Building a stronger community.

We're working together to build a brighter future for all of us.

Each year, the Duke Energy Foundation funds more than \$30 million in charitable grants, including science, engineering and career training programs to help prepare tomorrow's workforce. And, most importantly, we give our time and energy, volunteering here in the communities we call home.

Annual Costume Contest

One of our favorite things about this race have been the costumes! We love seeing all of the pilgrims, turkeys, and creative fall motifs.

To enter the contest, post a picture to social media on Thanksgiving Day. So we know who you are, remember to post the picture with your assigned bib # to social media and tag us [@fleetfeetgreenville](https://www.instagram.com/fleetfeetgreenville)
